Swell Flush Smart Ceiling Fan with Light

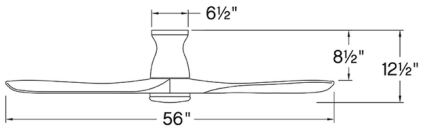

By Hinkley Lighting

Description

With its distinct, gracefully shaped wooden blades, the Swell Flush Smart Ceiling Fan with Light perfectly sets the scene in contemporary spaces without sacrificing functionality. Its low-profile silhouette is suitable for low ceilings or smaller rooms. The quiet, energy-efficient DC motor delivers refreshing airflow for comfortable enjoyment of any indoor or covered outdoor setting, while the integrated LED provides ambient illumination. A convenient wireless HIRO control is included. Incorporating WiFi and RF technology, it enables motor on/off, 6 speeds, forward and reverse, light on/off, and warm dimming (dims from 3000K to warmer). It can be wall-mounted or handheld. A face plate and cradles are included, and the remote fits in standard decorative style face plates as well. A manual on/off switch is also included. The Hinkley app offers further control through your smartphone or other device. In addition to the basic functions, the app has timers, breeze mode and other advanced features, and links the fan to smart home systems including Google, Amazon Alexa, and Siri. This smart fan is the perfect solution for your modern lifestyle. A light kit cover is included. Other optional accessories are sold separately.
