Ripley Post Light

By Kichler

Description

Influenced by craftsman-style architecture, the Ripley Post Light exhibits clean lines and a minimal form, complementing any modern exterior space. It is also Dark Sky compliant when used with a 40W incandescent or equivalent LED R14 bulb (not included), helping to minimize light pollution. Place the Ripley in your backyard or along a pathway to add a polished look and welcoming pool of light. Note: A post is not included and is sold separately.
