Hugh Decorative Lantern

By Lark

Description

Hype up your alfresco area with the Hugh Decorative Outdoor Lantern and its sleek, transitional style. The trapezoidal design features bold, over-scaled clear glass panes paired with a bold metal frame to inject a modern edge. With this decorative lantern, you can take the light where you need it, whether that's on a porch, a screened-in patio, or next to an inside fireplace. With an LED faux flame wick candle included, it's easy to make Hugh pop inside or out, with no electrical wiring required.
