Jewel Table Lamp By Mitzi

Description

The Jewel Table Lamp carries a bold presence in its petite form. Its spherical body, sculpted from honed Calacatta gold marble, displays beautiful natural veining balanced by the simplicity of the tapered white linen shade. Place this lamp on a bedside nighstand or living room side table to add a warm glow of light. Due to the one-of-a-kind nature of the marble, colors and patterns may vary from those pictured.

Shown in calacatta gold marble / white
