## Unison Plate

By Schneid

### Description

The Unison Plate is a carefully handcrafted ceramic tableware piece that puts your favorite food in a perfect limelight. This plate is dyed with pigments of refined subdued tones. By leaving the outer surface untreated and raw, the pieces get a soft tactile feel while the inside is glazed and shiny, enhancing a visual contrast of the tableware. Combine the whole Unison line of tableware for your dining needs. Handmade in Germany.

Shown in baby blue
