Peak Chandelier

By SkLO

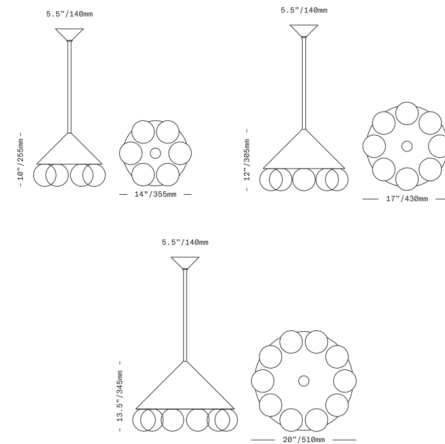

Description

The Peak Chandelier features a ring of illuminated glass spheres set beneath a conical form and supported by a single stem. Peak's arrangement of simple geometric forms gives it a playful but elegant aesthetic that will complement a variety of interior decor styles. The globe shades are available in a variety of colors in a smooth dipped finish or a lightly frosted finish with a subtly ridged texture. Note: One 6 inch, two 12 inch, and one 18 inch downrods are included as standard and allow for field adjustability. Custom, non-adjustable overall heights can be specified to order (additional fees may apply).
