Rest Pendant By SkLO

Description

The Rest Pendant features a handblown frosted glass shade set beneath a conical white marble cap and supported by a slim stem. The glass shade flares outward before beveling inwards at the bottom for an angular modern look. While each size of the pendant features different proportions and angles, their shared design language makes them a natural fit in a grouping of multiple pendants. Note: One 6 inch, two 12 inch, and one 18 inch downrods are included as standard and allow for field adjustability. Custom, non-adjustable overall heights can be specified to order (additional fees may apply).
