## Rest Pendant By SkLO

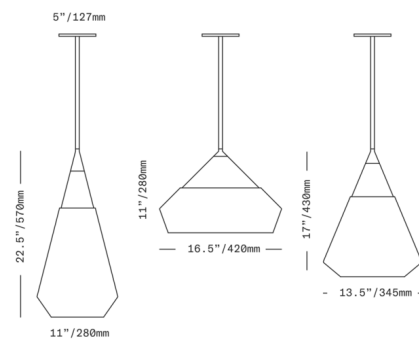

### Description

The Rest Pendant features a handblown frosted glass shade set beneath a conical white marble cap and supported by a slim stem. The glass shade flares outward before beveling inwards at the bottom for an angular modern look. While each size of the pendant features different proportions and angles, their shared design language makes them a natural fit in a grouping of multiple pendants. Note: The downrod is not field adjustable. Overall height specified to order: 11 inch W pendant between 35 and 59 inches overall, 13.4 inch W pendant between 28 and 55 inches, 16.5 inch W pendant between 23 and 47 inches.

Shown in brushed brass / smoke frosted
