Pillow Pendant By SkLO

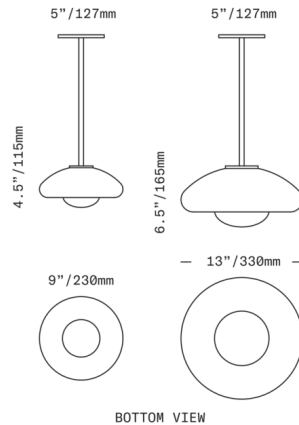

Description

The Pillow Pendant features a soft dome of illuminated glass nestled in a gentle embrace by an arching dome of frosted glass. Pillow's soft, organic geometry creates a whimsical and welcoming expression, while the different colors of glass in the upper and lower portions of the shade add intriguing complexity. Note: One 6 inch, two 12 inch, and one 18 inch downrods are included as standard and allow for field adjustability. Custom, non-adjustable overall heights can be specified to order (additional fees may apply).
