## Redding Wall Sconce

By Troy Lighting

### Description

Striking the balance between hard and soft geometries, the Redding Wall Sconce features straight-edged, knurled metal work supporting two glass shades. The glass shades feature ribs, which transition from closely to loosely spaced and eventually fade away, mimicking ripples created by a droplet of water. Enhanced with a warm Patina Brass finish, Redding evokes an old-world feel mixed with modern simplicity.

Shown in patina brass / clear
