Brogan Wall Sconce

By Troy Lighting

DAMP

Description

Taking cues from mid-century design aesthetics, the Brogan Wall Sconce elevates a simple silhouette with bold proportions. Supported by gracefully curved arms in a rich Patina Brass finish, two oversized Seedy Opal Glass globes are suspended at different levels. This versatile sconce offers flexibility at installation, enabling the piece to be positioned right or left by pivoting the arms relative to the backplate.

Shown in patina brass / opal
