## Coleman Ceiling Light

By Troy Lighting

### Description

An expression of substantial geometry with lightweight materiality, the Coleman Ceiling Light features a dimensional, Abaca string-wrapped frame that resembles a vintage carousel. The inside of the shade is densely wrapped, while the outside has a more sparse distribution, creating a sense of visual dynamism that is enhanced when lit. The Bronze Leaf finish of the mount carries through the antique aesthetic while balancing the lightness of the bleached strings.

Shown in bronze leaf / bleach
