

BRAND Troy Lighting

DESCRIPTION

A concentric ring reflector and striking materiality elevate the simple disc silhouette of the Eclipse Ceiling Light. As light washes over the ripples of the Brass Plated Glass interior, it spreads outwards with a dramatic effect, not unlike the cosmic phenomenon for which it is named. Whether mounted on the wall or ceiling, the contrast between the Soft Black exterior of the shade and the golden interior leaves a lasting impression.

Shown in: Soft Black / Brass

SHADE COLOR	Brass
BODY FINISH	Soft Black
