Darby Chandelier

By Troy Lighting

Description

Exploring an unconventional lamping technique, the Darby Chandelier features tubes of etched glass that are lit at the central connection point, creating a fall-off of light along the length of the glass and an ombre effect. The design of the metalwork celebrates its mechanical connections, turning them into small but additive design details.

Shown in patina brass / opal

Specifications

COLOR Opal
BODY FINISH Patina Brass
WATTAGE 32W
DIMMER Standard 120V
DIMENSIONS 36.75"W x 12"H
BULB NOT INCLUDED 4 x MR16/GU10/8W/120V LED
COUNTRY OF ORIGIN China
