Lonnie Pendant By Troy Lighting

Description

Tipping its cap to designer Hans-Agne Jakobsson, the Lonnie Pendant rethinks the materiality of his classic umbrella-shaped shade. In this interpretation, the frame of the shade is wrapped in Bleached Abaca rope, allowing light to pass through. As a design detail, the Vintage Gold Leaf stem suspending the shade appears to pierce through the entire fixture, finishing in a decorative sphere.

Shown in vintage gold leaf / bleach
