Pezante Table Lamp By Troy Lighting

Description

The Pezante Table Lamp was inspired by Julie Dash's 1991 film *Daughters of the Dust* as a vision of coastal elegance. Elements of the story are translated into the lamp's design features, such as the woven abaca shade and elegantly tapered ceramic body representing the characters' straw hats and white dresses. Pezante's neutral colorway and refined silhouette will make it a natural fit in a wide variety of decor styles.
