## Coronado Table Lamp By Troy Lighting

## Description

A geometrically faceted lamp with a primitive, hand-hewn quality, the Coronado Table Lamp has the appearance of a modern sculpture carved from stone. The chalky finish of the black ceramic is balanced by the freshness of a natural grained off-white linen shade. A subtle glint of Patina Brass metalwork introduces a warm note at the neck. On/off switch on socket.

Shown in black / off white
