## Finn Table Lamp By Troy Lighting

## Description

The Finn Table Lamp is all about graphic linework and angular forms. The fin-shaped body of the lamp, created entirely from flat planes of metal, features a diagonal composition of textures, which are debossed into the surface. The Bronze Leaf finish is complemented by the grained Off-White Linen shade, adding to the overall rustic nature of the fixture. On/off switch on socket.

Shown in bronze leaf / off white
