Standard Pendant

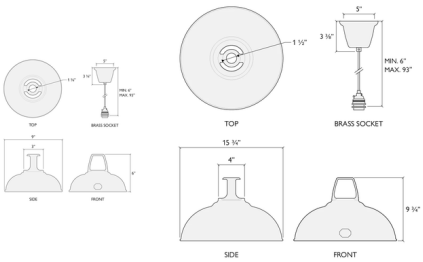

By Coolicon

Description

The Standard Pendant features a timeless design that recalls the factories and workshops of 1930s Britain. The steel dome shade is coated with vitreous enamel, a glassy surface that fuses to the steel through the skillful process of wet enameling. A brass socket adds a warm, natural touch that highlights Standard's classic looks. White Vitreous Enamel ceiling cups mirror the iconic gallery of the Coolicon lampshade.

Shown in white / sky blue
