Neptune Color Select Pendant By Beacon Lighting

Description

Add a sense of sophistication to your foyer or dining room with the Neptune Pendant. A stunning Spanish alabaster ring is suspended from a sleek solid brass canopy, presenting a beautiful aesthetic that blends classic and modern elements. The alabaster offers rich, earthy character through its soft tones and natural veining. LEDs illuminate the stone and cast a warm, inviting light throughout your space. Color temperature (CCT) can be set to 2700K, 3500K, or 4500K using a mechanical or relay on/off wall switch. It cannot be adjusted using a semi-conductor on/off switch (e.g. smart switch). This item is part of the Made by Mayfair premium collection.
