## Firma Table Lamp

By Beacon Lighting

### Description

Pairing a cylindrical Spanish alabaster base with a soft white linen shade, the petite Firma Table Lamp offers a sense of elegance for your space. Add a touch of timeless charm to your space with this classic table lamp with a total height of 16.5 inch. A G9 bulb inside the base illuminates the natural stone, while an E26 bulb on top casts a warm ambient light diffused by the shade. The lights are controlled separately, by an on/off switch at the socket for the upper bulb, and an on/off switch on the cord for the lower internal bulb. The bulbs are not included.
