Ramen Wall / Ceiling / Pendant Light with Back Dish

By Koncept Lighting

Description

The Ramen is a modern, playful circular fixture suitable for indoor or outdoor use. This convertible version with a back dish can be installed as a wall sconce, flush mount ceiling light, or a pendant, offering a world of possibilities for illuminating your space. The center bowl is covered with a magnetic plate available in a wide selection of finishes. The Paintable finish option is primed in white, ready for you to paint on in any color or pattern desired. The plates are interchangeable, letting you easily switch the look. 360 degrees of beautifully diffused light is emitted from the center piece, highlighting the back dish and spreading into your space as indirect light. Choose your own combination of center piece and back dish to personalize the Ramen. This fixture is wet-rated as a wall sconce or flush ceiling light, and damp-rated as a pendant.
