Majestic Nights Incense Diffuser

By Lladro

Description

The Majestic Nights Incense Diffuser is inspired by the spirit of the Thousand and One Nights, the charm and mystery of an age-old culture, of refined, delicate and magical art. The geometric decoration and painstaking ornamentation is the source of inspiration for a collection conceived for celebrations around the table or to create a warm, welcoming atmosphere. A wide range of different tones of green was chosen for the decoration, applied in the domes, all crowned by a crescent moon in golden luster. includes 3 cones in a mix of incense and myrrh, the perfect fragrances to create an evocative and enveloping atmosphere.
