PH 2/1 Portable Table Lamp

By Louis Poulsen

Description

The PH 2/1 Portable Table Lamp will add a clean decorative touch to any space. The three-layered opal glass shade emits comfortable, diffused, light that will create a warm ambiance with minimal glare. The lamp houses an integrated LED and rechargeable battery, allowing it to be easily moved wherever its light is needed. The built-in dimmer can be set to 4-step (5%, 20%, 45%, 100% brightness) or stepless modes with Warm Dim technology that changes the color temperature from 2700K to 1800K as the light is dimmed. Chargeable with USB-C cord or Qi inductive charging. Includes black USB-C charging cord (requires standard 15W/3A USB-C wall adapter, not included).
