Portinatx Linear Chandelier

By Savoy House

Description

The Portinatx Linear Chandelier was designed by Breegan Jane, an award-winning interior designer and TV host. Adorn your home with the beautiful, edgy metal flowers that cascade down from the linear frame. Hammered metal petals wear a hand-applied Gold finish that contrasts nicely with the structure's hand-applied Satin Black finish, perfectly exemplifying how Breegan believes metallics elevate a design without trying too hard.
