Estrella Del Mar Chandelier

By Savoy House

Description

The Estrella Del Mar Chandelier was designed by Breegan Jane, an award-winning interior designer and TV host. With its look inspired by the large, curling leaves of a rubber tree, it is a standout example of the way Breegan's designs are informed by the beauty of nature. The leaves are finished in Burnished Gold on the inside, which creates a warm glow and a striking contrast with the darker Centura finish on the outside. These two finishes are hand-applied.
