Legacy Linear Chandelier

By Savoy House

Description

The Legacy Linear Chandelier was designed by Breegan Jane, an award-winning designer and TV host. Breegan believes that it doesn't get any more luxurious and classic than stone - and with its ethereal warmth and vibrant veining, the panes of natural alabaster on the Legacy are a perfect example of this belief. Textured details recall the structures of high-end range hoods, making this a great choice for lighting standout kitchens.
