Monarch Chandelier

By Savoy House

Description

The Monarch Chandelier was designed by Breegan Jane, an award-winning interior designer and TV host. With a look like a statement bracelet, adorned with leaves crafted from stained natural coco shell pieces, Monarch is a standout example of Breegan's signature nature-inspired designs. Each piece of coco shell is unique and may feature variations in patterning and color. A hand-applied Champagne Mist finish adds richness and texture.

Shown in champagne / natural
