## Isla Blanca Wall Light

By Savoy House

### Description

The Isla Blanca Wall Light was designed by Breegan Jane, an award-winning interior designer and TV host. Breegan believes that luxe design is in the details, like the beautifully textured translucent porcelain shade that takes the spotlight here. When the light is on, the shade creates a flattering glow. When the light is off, it adds an eye-catching touch to any room. The Warm Brass finish amplifies the glamour.
