Logs Mirror

By Woud Design

Description

The Logs Mirror stems from the designer's source of inspiration, found in the calmness of the Nordic birch forests. Embodying the repetition of numerous trees, this aesthetically versatile piece echoes the identical shape of the mirrors. Simultaneously static yet softly organic. The individual mirrors can be placed at different heights to obtain a wavy effect, allowing you to construct a personalized expression. Can be mounted vertically or horizontally. Note: Option 3 includes 1 smoke and 2 clear mirrors; option 5 includes 1 smoke, 1 bronze and 3 clear mirrors.
