Wallie Drawer Wall Shelf

By Woud Design

Description

The Wallie Drawer Wall Shelf beautifully combines wood with metal creating an elegant wall-mounted drawer. With its circular, soft shape, Wallie is a visually strong design that easily can act as a centerpiece or be combined with other designs. The bracket embraces the magnetic wood drawer making the design both minimalistic and functional. Wallie is perfect for storing small everyday essentials in the hallway or as a bedside table in the bedroom.
