

BRAND SONNEMAN - A Way of Light

DESCRIPTION

The Lithe Wall Light references the industrial elegance of H beams found in engineering and architecture. Designed to evenly distribute light in two directions, this sleek minimal fixture is ideal for any modern space including residential, hospitality and commercial settings. TRIAC, ELV, and 0-10V dimmable. Note: This fixture does not mount to a standard US junction box, and the included LED driver must be installed in a remote accessible location near the fixture.
