LP Round Wall / Ceiling Light

By SONNEMAN - A Way of Light

Description

Pared-down and straightforward, the LP Round Wall / Ceiling Light carries a refined, hard-edged presence while casting evenly diffused indirect LED light. The light glows from behind, creating a halo effect against the wall or ceiling. The timeless geometric form is ideal for many indoor or outdoor spaces and can be scaled for larger residential, hospitality and commercial settings. TRIAC, ELV, and 0-10V dimmable.
