

BRAND

Bulbrite

DESCRIPTION

The Disk Color-Select Ceiling/Retrofit Light features a regressed lens providing a non-glare glow and elevated design. Color-select technology allows user to select between 2700K/3000K/3500K/4000K/5000K color temperature with a switch located on back of fixture. Fits into a variety of standard ceiling junction boxes including a 4 inch round/octagon and 3.5 inch round. Can also be used to convert a recessed can by using three components: recessed can springs and pigtail (ships with product), and a metal crossbar to attach the disk light (available upon request). Note: Sold in multi-packs.
