Edie Arc Table Lamp

By Adesso Corp.

Description

A great addition to desks, tables, and countertops, the lamp's speckled glass orb shade casts a warm light. This Edie Arc Table Lamp features an articulation point at the base of the shade, allowing you to direct the light wherever it's needed. With clean and simple style lines, the slender, arcing metal stem in a bronze finish leads to the round base. Includes on/off rotary switch on base.
