Bolton Color-Select Desk Lamp

By Adesso Corp.

Description

The Bolton Color-Select Desk Lamp features the stem is a dome-shaped antique brass shade with an articulation point, allowing you to direct the light wherever it's needed. A convenient touch switch located on the pole gives you full control of the lighting brightness and color temperature with CCT select-ability ranging between 2700k - 5000k, at the touch of a finger, while the integrated 6W LED light is softened by a frosted diffuser.
