Bolton Arc Color-Select Floor Lamp

By Adesso Corp.

Description

The Bolton Arc Color-Select Floor Lamp features a tall antique brass pole and matching arcing stem are anchored securely by a 10" diameter round brown marble base. Topping the stem is a dome-shaped antique brass shade with an articulation point, allowing you to direct the light wherever it's needed. A convenient touch switch located on the pole gives you full control of the lighting brightness and color temperature With CCT select-ability ranging between 2700k - 5000k, at the touch of a finger, while the integrated 9W LED light is softened by a frosted diffuser.

Shown in antique brass / brown marble / frosted
