Model 2065 Pendant

By Astep

Description

The Model 2065 Pendant is made of a pair of methacrylate saucer diffusers joined together into a rounded form and intersected by a thin metal rod. This reissue of Gino Sarfatti's classic 1950 design is makes use of Green Cast, a modern material similar to methacrylate that is 100% recycled and recyclable. The simplicity of the design and lightness of materials make Model 2065 a timeless accent that will complement contemporary and retro-inspired interiors alike.

Shown in black / black & white diffuser / black cable
