Flare Pendant

By Bomma

Description

The Flare Pendant combines the craftsmanship of traditional Czech glassmaking with modern LED technology to create an elegant and versatile fixture. The pendant's clear crystal rod houses a white glass spiral which is illuminated by the integrated LED to produce stunning lines of light. Multiple Flare Pendants can be used together to create an endless variety of configurations, allowing designers to create distinctive custom installations to suit any space. Includes mounting plate to cover standard US junction box.
