Black Diamond Outdoor Wall Wash 12V

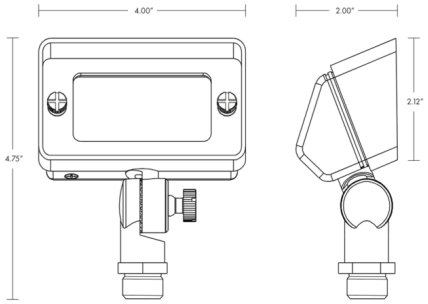

By Brilliance

Description

The Black Diamond 12V Wall Wash is designed for outdoor uplighting, grazing and backlighting techniques -- best for low level wall wash applications. Includes ABS mounting stake and three glass lenses (frosted/clear/prism) from which to choose for the desired effect. The frosted and glass lenses offer a 98 degree horizontal beam spread and the prism lens expands the horizontal beam spread to 114 degrees. The Black Diamond Wall Wash features an adjustment system which allows for 18 points of articulation of the knuckle. Available with or without a 12V G4 Wafer bulb. Note: Required 12 volt transformer sold separately. Dimmable with Brilliance Dimmer and most magnetic transformers.

Shown in bronze
