Oracle Wall Sconce By Jamie Young Company

(65)

Description

Hand-carved discs of natural, creamy white alabaster orbit a back plate in this ode to mid-century futurism. The natural stone softly diffuses the bulbs, and when lit the organic beauty and individual characteristics of each piece is revealed. Try two vertically framing a mirror, or three installed horizontally to lighten up an otherwise dull hallway. No two will be alike. Can be mounted vertically or horizontally.

Specifications
