Palm Marquetry Tray

By Jamie Young Company

Description

The Palm Marquetry Tray features a slim rectangles of iron that have been finished in gold and then carefully folded around its corners. Underneath is a brown suede lining. With its lux interpretation of mid-century design and its decidedly tropical aesthetic, this tray can be topped with bottles of exotic liqueurs in a home bar, or filled with books and used on an ottoman or accent table.

Shown in antique brass / gray
