Millimetro Ceiling Light

By Luceplan

Description

Halfway between a pendant and a ceiling lamp, Millimetro features a very thin reflecting circular disk projecting light upward from below. The upper cap is attached to a stem in a 9, 13, 20.9 or 28.7 inch stem length that supports the mirrored disk. The light source, concealed behind the disk, provides a diffused, uniform glow. Phase cut dimming at 120V. 0-10V dimming at 277V.
