Snug Color-Select Ceiling Light

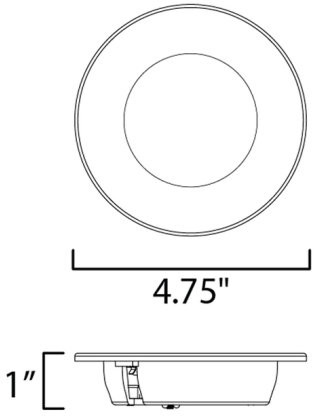

By Maxim Lighting

Description

Designed to install into a 4-0 junction box, the Snug surface mounted fixture boasts the lowest profile possible similar to recessed lighting. The twist locking trim easily removes for installation with a frame that can be mudded-in for an even more streamlined design. The Snug is ideal for residential or commercial spaces looking for a more attractive option. Dimmable via Triac or electronic low voltage (ELV) dimming. Note: A switch allows you to change the color temperature of the light between 2700K/3000K/3500K/4000K/5000K.

Shown in white / white
