Paramount Pendant By Maxim Lighting

Description

Truncated tapered cone of a linen shade diffuses light from an LED ring within the Paramount Pendant. The LED lighting offers ample illumination that is softly diffused behind the shade. A two-pronged fork detail supports the ring within further modernizing this transitional look. The pendant conveniently coordinates with most interiors. Available in 120-277V (for commercial applications). Dimmable at 120V with TRIAC only.

Specifications
