## Culvert Outdoor Up/Down Wall Sconce By Maxim Lighting

### Description

Smaller square profiles extend vertically with light casting both upward and downward in the Culvert Outdoor Wall Sconce. The scale of the product is designed to meet ADA requirements, while providing ample light for outdoor applications. Concealed within the frame, there is a range voltage 120-277V LED driver making this a great option for light commercial as well as residential applications. Dimmable via TRIAC or 0-10V dimming.
