Triform Outdoor Wall Light By Maxim Lighting

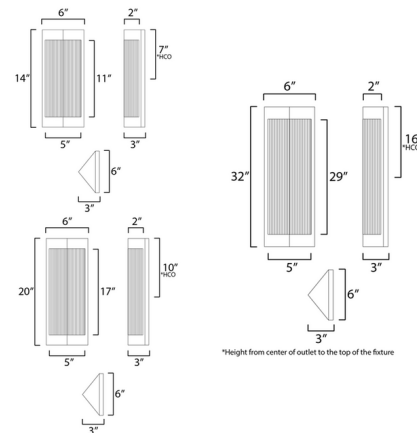

Description

A transitional design suitable for both modern and more traditional applications, the Triform Outdoor Wall Light features Clear Ribbed glass that refracts the light source within triangular frames. A Black frame with warm Antique Brass light clusters within. With a depth of less than 4 inches, this ADA compliant scone may also be used in commercial applications.

Shown in black / brass / clear ribbed

*Height from center of outlet to the top of the fixture
