Super-Max Ceiling Fan

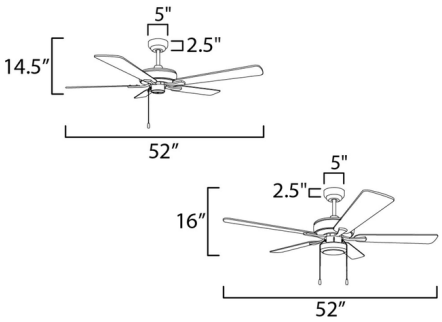

By Maxim Lighting

Description

The Super-Max Ceiling Fan is an update of the conventional fan, with blades, brackets and motor housing that complement transitional spaces. This versatile fixture is available with or without an LED light kit, and reversible blades offer a way to customize the look to suit your interior decor. The fan is operated using a pull chain. For fans that have a light, an additional pull chain is included for turning the light on/off. Optional accessories are sold separately.
