Zephyr Smart 5-Blade Ceiling Fan with Color-Select Light

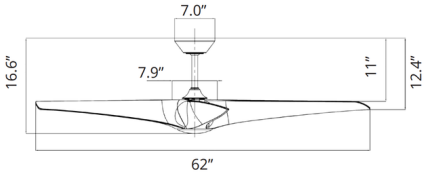

By Modern Forms

Description

The Zephyr 5 Smart Ceiling Fan combines a sleek five-blade design with a quiet DC motor and LED lighting to provide comfort and illumination in any indoor or outdoor space. The thick, contoured blades efficiently circulate the air, while the LED light is diffused through opal glass to provide a soft glow. Color temperature of the light can be set to 2700K, 3000K, 4000K, or 5000K using a switch in the fan. A Bluetooth remote control with wall cradle is included and enables motor on/off, speed adjustment, forward and reverse, and light on/off with dimming to 1%. The free Modern Forms app on your smart phone or other smart device is another control option, with functions including speed and light brightness adjustment, Adaptive Learning, scheduling, and fan grouping. The fan also integrates with smart home tech such as Google Assistant, Amazon Alexa/ Echo, and Samsung Smart Things for easy voice control. A cap for no-light use is included. Other optional accessories are sold separately.

Shown in matte black / distressed koa
