Size Matters Smart Ceiling Fan with Color-Select Light By Modern Forms

Description

For cooling a large space, bigger is better. With its wide-spanning precisely engineered blades driven by a powerful yet quiet DC motor, the Size Matters Smart Ceiling Fan effectively cools your large indoor or outdoor area. The fan also features an LED luminaire, casting a soft layer of ambient illumination across the space. Color temperature of the light can be set to 2700K, 3000K, 4000K, or 5000K using a switch in the fan. A Bluetooth remote control with wall cradle is included and enables motor on/off, speed adjustment, forward and reverse, and light on/off with dimming to 1%. The free Modern Forms app on your smart phone or other smart device is another control option, with functions including speed and light brightness adjustment, Adaptive Learning, scheduling, and fan grouping. The fan also integrates with smart home tech such as Google Assistant, Amazon Alexa/Echo, and Samsung Smart Things for easy voice control. Includes 6 inch downrod. Optional accessories are sold separately.

Specifications
